

June 25, 2026 7:00 p.m.

Board Officers present: Martin, Donna, Bill, Meretta
Approximately 30 members in attendance

Treasurer's Report: As of the end of June the account balance was \$4635.38

Martin's Plants of the Meeting: *Acer griseum* (Paperbark Maple), *Physoplexis comosa* (Tufted Horn Rampion) and a tip that the Missouri Botanical Gardens Plant Finder is a great resource for us all.

Kathy: The garden tour is still needing volunteers. The sign up sheet was passed around the room and one spot remained open at the end. Thanks to those who will contribute their time and energy to this great day. The potluck appreciation BBQ is postponed until September in lieu of this weekend's weather. Host gardens have received their plaques. Door prizes will be drawn on Sunday. Kathy will email people about their end of shift duties.

Donna: Please consider showing your own garden (or asking a neighbour to show theirs) for just the garden club during July/August (not the official tour – just garden club members) so that we may enjoy your efforts and also get ideas. Your garden needn't be large or perfect. Even just a 10 minute visit is lovely enough. We have 12 gardens confirmed so far and we will visit on Wednesdays starting at 7 p.m. Contact Donna to sign up
dbalti1960@outlook.com

Martin: Dig Garden Centre (Slocan) will give garden club members a 10% discount (please show your card). Cranbrook Garden Tour is happening July 5th and tickets are \$10 and available at Top Crop, Huckleberry Books (cash only), & Casey's Greenhouse.

Deborah: If anyone has extra herbs or vegetables available to donate to her church's garden beds for their soup program, she would appreciate it.

Thank you Lorna for providing cookies. ☺

ONGOING...

Reminder: Please take photos of your own garden throughout the growing season to add to the power point presentation that is happening in the fall.

What kinds of workshops are you interested in participating in? Do you have a skill you can share? Do you know of someone else who does and would share? A sign up sheet was distributed. If you have ideas, please forward them to Martin and he will get them on the list... frogarbour@proton.me

Next meeting is on September 30, 2026

Meeting adjourned 7:47 p.m.
